Clinton, MS | 601-985-8950 | Pariscoleman433@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Computer Engineering graduate (Cum Laude, GPA 3.40) pursuing a part-time online MBA in Project Management. Experienced in developing and testing software applications, defining technical requirements, troubleshooting issues, documenting findings, and coordinating project work in remote team environments.

CORE SKILLS

Programming & Development: JavaScript | TypeScript | HTML | CSS | React | Node.js | Express | Tailwind CSS

Engineering & Delivery: Requirements gathering | Software testing and validation | Technical troubleshooting | Documentation | Data analysis | Agile fundamentals

Tools: Git | GitHub | Jira | Asana | Google AI Studio | Microsoft Excel | Microsoft Office

PROFESSIONAL EXPERIENCE

Technology Operations Remote Internship | Jackson State University May 2025 - Jul 2025

- Coordinated assignments and status tracking for a remote team of 20+ peers, maintained documentation, and monitored deliverables against deadlines.
- Applied structured troubleshooting during technical lab simulations and documented findings for review and follow-up.
- Communicated progress and blockers across the team to support organized, reliable project execution.

Technology Research Extern | Webacy (Remote) Jul 2024 - Aug 2024

- Researched blockchain and Web3 technologies and developed competitor profiles for Forta Network and Chainalysis.
- Converted complex technical findings into concise written reports for data-informed business review.

Sales Associate | Bath & Body Works Dec 2022 - Jan 2023

- Provided customer-focused service and collaborated with teammates to support accurate daily operations in a fast-paced environment.

EDUCATION

Mississippi State University | Online Expected May 2028

Master of Business Administration, Project Management | Part-Time

Jackson State University | Jackson, MS May 2026

Bachelor of Science in Computer Engineering | GPA: 3.40 | Cum Laude

CERTIFICATIONS

Google Project Management Certificate (In Progress) | Microsoft Certified: Security, Compliance, and Identity Fundamentals

PROJECTS

AssetTrack | Enterprise IT Asset Management Platform Jul 2026

- Built and tested a platform for inventory records, employee equipment assignments, maintenance workflows, and reporting.
- Validated system behavior against requirements, documented outcomes, and refined features to improve workflow consistency.

Blueprint | AI Career Development Platform Jul 2026

- Defined user workflows, feature requirements, and success criteria for an AI-powered career development application.
- Built and tested the application against defined requirements and documented results for future improvements.

IBM SheLeads Innovation Hub Capstone | Black Venture Capital Consortium Nov 2025 - Dec 2025

- Analyzed requirements, competitors, stakeholder needs, and KPIs; translated findings into a product strategy and roadmap.
- Presented structured recommendations clearly to diverse stakeholders.

PROFESSIONAL DEVELOPMENT

Technology Workforce Development Program | Mississippi Coding Academies May 2025 - Sep 2025

- Completed 360 hours of practical training across AI, cloud computing, software development, IT support, and cybersecurity.

HONORS & ACTIVITIES

Dean's List, Spring 2023-Spring 2026 | Mortar Board Honor Society | Society of Women Engineers | National Society of Collegiate Scholars
